## INVITED REVIEW

- Diet, nutrition, and cognitive function: A narrative review of Japanese longitudinal studies  
*R Otsuka* 825

## ORIGINAL ARTICLES

### EPIDEMIOLOGY, CLINICAL PRACTICE AND HEALTH

- Long-term impact of the COVID-19 pandemic on facility- and home-dwelling people with dementia: Perspectives from professionals involved in dementia care  
*K Kazawa et al.* 832

- Functional prognosis in patients with sarcopenic dysphagia: An observational cohort study from the Japanese sarcopenic dysphagia database  
*T Nagai et al.* 839

- Associations of depressive symptoms with white matter abnormalities and regional cerebral blood flow in patients with amnesic mild cognitive impairment  
*K Hirao et al.* 846

- Comparison of three frailty screening instruments for prediction of adverse outcomes among older adults in the emergency department  
*N Shang et al.* 851

- Potentially inappropriate medication use, polypharmacy, and falls among hospitalized patients  
*S-J Li et al.* 857

- Analysis of pulmonary nodules detected by annual low-dose computed tomography in the elderly during a 10-year follow-up  
*Z Liu et al.* 865

### SOCIAL RESEARCH, PLANNING AND PRACTICE

- The effect of care receivers' dysphagia severity on caregiver burden among family caregivers  
*M Suzuki et al.* 870

- Factors associated with decision-making involvement in community-dwelling older care recipients  
*A Komatsu et al.* 876

- Noise pareidolia test for predicting delirium in hospitalized older patients with cognitive decline  
*Y Hashimoto et al.* 883

## BIOLOGY

- Utility of SARC-F in daycare facilities for older people  
*T Kera et al.* 889

## LETTERS TO THE EDITOR

### CASE REPORTS

- Urethral injury related to peri-urethral abscess as a complication of self-catheterization in an older patient with type 2 diabetes  
*Y Ofuji et al.* 894

- Intravenous acetaminophen-induced non-anaphylactic shock in an older patient with COVID-19  
*R Masui et al.* 895

- A senile case of heart failure associated with hypermagnesemia induced by magnesium-containing laxative agent  
*K Eiraku et al.* 897

## RESEARCH STUDIES

- Frailty screening index and atrial fibrillation outcomes in the All Nippon AF In the Elderly registry  
*M Akishita et al.* 899

- Validity of the Questionnaire for Medical Checkup of Old-Old (QMCOO) in screening for physical frailty in Japanese older outpatients  
*J Li et al.* 902

- Association between locomotive syndrome and methotrexate discontinuation due to adverse events in rheumatoid arthritis patients: A retrospective observational study  
*Y Sobue et al.* 904

- Home care for older people with dementia where family caregivers were infected in the COVID-19 pandemic  
*S Ishii et al.* 906
