## ORIGINAL ARTICLES

### EPIDEMIOLOGY, CLINICAL PRACTICE AND HEALTH

An exploration of healthcare use in older people waiting for and receiving Australian community-based aged care services  
*LC Edney et al.* 899

Association between decreased neck circumference and impaired activities of daily living among older adults in long-term care  
*R Sato et al.* 906

The combination of locomotive syndrome and poor sleep quality is a risk factor of falls among community-dwelling middle-aged and older women: A cross-sectional study  
*D Takagi et al.* 912

Longitudinal patterns of Alzheimer's disease subtypes: A follow-up magnetic resonance imaging and single-photon emission computed tomography study  
*H Hanyu et al.* 919

Association of possible sarcopenia with major chronic diseases and multimorbidity among middle-aged and older adults: Findings from a national cross-sectional study in China  
*X Zhao et al.* 925

Risk factors of frontotemporal dementia compared with Alzheimer disease: Single psychiatric hospital-based research in Japan  
*A Okoshi et al.* 932

An 8-year observational study of the death places of patients with COPD in Turkey  
*A İdikut et al.* 938

Development and validation of a rapid sarcopenia screening questionnaire: The Otassha study  
*T Kera et al.* 945

### BIOLOGY

Expression analysis of genes important for maintaining skin function in a senescence-accelerated mouse prone model  
*Y Shinozaki et al.* 951

Cmah deficiency blunts cellular senescence in adipose tissues and improves whole-body glucose metabolism in aged mice  
*R Takeda et al.* 958

## LETTERS TO THE EDITOR

### CASE REPORTS

Analysis of drug transporter gene polymorphisms in an elderly patient with chronic myeloid leukemia successfully treated with intermittent low-dose dasatinib  
*Y Nakamura et al.* 965

Nontraumatic rupture of the common bile duct: A case of successful diagnosis and conservative treatment in an elderly patient  
*Y Mori et al.* 967

Immune thrombocytopenic purpura in an elderly patient with cerebral hemorrhage after the fourth mRNA-1273 COVID-19 vaccination  
*M Kobayashi et al.* 969

### RESEARCH STUDIES

Angina, a preoperative clinical sign for the development of delirium after transcatheter aortic valve implantation  
*M Takeuchi et al.* 971

Frailty determined by the Questionnaire for Medical Checkup of Old-Old is correlated with increased healthcare cost: Using the Japanese health insurance database system  
*T Tanaka et al.* 973

Education and income are associated with long-term outcome in the metabolic dysfunction-associated steatotic liver disease population  
*Q Zhao and Y Deng* 975

Comparing chair stand test protocols: Fifth stand versus fifth sit  
*S Ji et al.* 976

Achievements and challenges of family associations for caregivers of people with dementia  
*T Okamura et al.* 978

Education and employment have a sex-dependent effect on healthy aging in Mexico  
*C Arroyo-Quiroz et al.* 980
